— Data are missing.

<sup>1</sup> Migrant students include those who were enrolled at any time during the previous (1999-2000) regular school year. They are reported for each school in which they enrolled; because this is a duplicated count, the table does not show migrants as a percentage of all students.

<sup>2</sup> American Samoa and Puerto Rico did not report students eligible for reduced-price meals. See technical notes.

<sup>3</sup> Total of reporting states, does not include New Jersey.

<sup>4</sup> Data were missing for more than 20 percent of schools or districts.

NOTE: Percentages are based on schools and agencies reporting. Percentages may not add to 100 because of rounding. U.S. totals include the 50 states and the District of Columbia.
